**Re: *United States v. Charles Ward, 22 Cr. 94 (JMF)***

Dear Judge Furman,

The Government writes to request an adjournment of the status conference scheduled for January 10, 2023 at 3:00 p.m. in the above referenced supervised release matter. The Government understands from the U.S. Probation Office that since mid-December 2022, the defendant has successfully completed his inpatient program and was successful discharged. He is currently enrolled in intensive outpatient substance abuse treatment with the same facility. The defendant has drug tested negative for illicit substances since his release from inpatient treatment. The Probation Office requests that the Court allow the defendant to continue with treatment, and establish consistency in treatment, negative UAs, and search for employment.

Accordingly, the Government seeks a ninety-day adjournment<sup>1</sup> of this matter to allow the defendant to acclimate with the community.

Respectfully submitted,

DAMIAN WILLIAMS  
United States Attorney
